

# A greener future for first aid

## Reliwash™ Eye Pod Station. *New compact size.*

Large shatterproof mirror.

Eight sterile saline pods.

Twist and squeeze for easy  
and quick application.

Illustrated instructions.  
*(no translation required)*

Compact, smaller than A5!

### EYE POD STATION

The new Reliance Medical eye wash station is now more versatile than ever before, ensuring eye wash facilities are on hand for minor eye irritations. Due to its new compact size, it can be wall mounted in a variety of locations for quick access and features an extra-large shatterproof acrylic mirror for easy application and accurate self-treatment.

Finished in a high visibility green for easy location in a critical situation, the complete station includes eight 20ml sterile saline pods and two eye pad dressings, to provide fast and effective relief to minor injuries. A complete and an empty option are available.
